WE OFFER EDUCATION YOU CAN APPLY TO YOUR PRACTICE

WE BRING THE CLASSROOM TO YOU

We work with clinical experts to develop and record education programs. Our Abbott Nutrition representatives are available to facilitate these videos in your facility.

HOW TO GET STARTED

- 1 | **Partner with your representative** to select an education program that is relevant to your practice.
- 2 | **Choose a date, time and location** for your education experience.
- 3 | **Print a certificate on anhi.org/education** when your program is done!

We also offer online education courses.
Visit anhi.org/education/course-catalog to see what's available for you.

CERTIFICATES OF TRAINING

Strengthen your knowledge and build expertise on today's most important nutrition topics by completing a certificate of training and earning continuing education credits.

Adult Malnutrition	earn	7	credit hours
Community Malnutrition	earn	5	credit hours
Neonatal Nutrition	earn	7	credit hours
Nutrition Facts Label	earn	4	credit hours
Pediatric Malnutrition ...	<div>Coming Soon</div>	earn	10 credit hours

IMPORTANT INITIATIVES

We collaborate often to ensure we're bringing you the best nutrition science news from a variety of perspectives. Here, you'll find the outcomes of some of our recent partnerships.

MALNUTRITION QUALITY IMPROVEMENT INITIATIVE (MQii)

This initiative was established through a partnership with the Academy of Nutrition and Dietetics, Avalere Health, and other stakeholders, to advance evidence-based, high-quality patient-driven care for hospitalized older adults (age 65 and older) who are malnourished or at risk for malnutrition.

GROWTH AMBASSADORS

Growth Ambassadors are a collection of expert healthcare professionals from around the world who want to build awareness about the importance of childhood nutrition and growth.

DECADE OF HEALTHY AGEING

We've curated a series of resources to help healthcare practitioners work toward improving the lives of older adults and their families, as well as the communities they serve.

GLYCEMIC GUARDIANS

Glycemic Guardians are a collective of medical authorities who share their diabetes expertise with other practicing clinicians around the world.
