

Hillrom™

SCREEN TEMPERATURE CONTACT-FREE

Quickly obtain readings with minimal patient involvement to determine if a patient presents with a normal or elevated temperature.

- **No Physical Skin Contact Required**

Eliminates need for disposable probe cover and disinfection between readings.

- **Distance Sensing Technology**

Measurement feedback system detects proper operating distance for consistent accuracy.

- **Reliable and Long-Lasting**

Take about 3,000 readings on two AAA batteries.

- Bright backlit display, dedicated function buttons for pulse timer, C/F conversion, and recall.
- Compatible with many medical grade cleaners to help minimize the risk of cross-contamination.
- 2-year warranty

Welch Allyn® CareTemp®
Touch-Free Thermometer

Hillrom™
