

FARE

**COMING SOON:
NEW PATIENT RESOURCE**

YOUR GUIDE TO FOOD ALLERGY

This free patient resource equips newly diagnosed patients with the crucial information they need to manage their food allergies and live well with the diagnosis. The FARE Food Allergy Guide will have printed and interactive digital components, and will be available free of charge from FARE starting in November 2020.

**For more information, contact FARE at
Education@FoodAllergy.org**
